Part B for May 1938

SUBJECT.

Representation of Dr. C. V. Narasimhan requesting that he may be permitted to assume the private practice of the Health Officership, Tellicherry [illegible] etc.

Letter No. C. 2865-1 dated 27.4.[illegible]
from the Senior Surgeon in Mysore forwarding a
representation read from Dr C.V. Natarajan, Pathologist,
K.R. Hospital, and Professor of Pathology, Medical College,
Mysore requesting that he may be permitted to
draw Rs 450 in the grade Rs 400-50/2-700 from 11.1.1938.

Prior to this reduction to the
grade of Second class of Health officers in January
1938, Dr C.V. Natarajan was permanent Supdt.
Public Health Institute in grade Rs 400-50/2-700.
"A" G.O. No. 2179-80 | EB 67-35-4 dated 8.4.1936, he
was permitted to draw Rs 450/- in that grade from
28.11.1936.

2) In connection with the reorganisation
in the Public Health Institute, Dr Natarajan was
reduced to the Second class of Health officers for a
"B" period of one year on the maximum pay of that class,
viz Rs 350/- in Gr. No. 1616-17 dated 11.1.1937.
Subsequently, he was transferred as Health officer,
Mysore District. He is now employed as Pathologist,
K.R. Hospital, and Prof of Pathology, Medical College,
Mysore.

3) Dr. Natarajan requests that
1) he may be permitted to draw Rs 450/- in

we grave Rs 400-50/2-700 from 11.1.1938. and

2) that the difference of pay due to him from 28.11.1936 to 10.1.1937 at the rate of Rs 50 p.m. maybe arranged to be paid to him.

4) There are two points for orders:

(1) Restoration of Dr. C.V. Natarajan to his original position

On G.O. d. 11.1.1937, he was ordered to "be reduced, for a period of one year, to the Second class of Health officers on the maximum pay of that class, viz. Rs 350 (~~400~~)" According to the Civil List showing the position of officers on 1-1-1937, Dr C.V.N. was at that time drawing Rs 450 from 28.11.1936 in the grade 400 - 50/2 - 700 (Corresponding to Health officer, I class) As the reduction was ordered for a specific period of one year, the intention perhaps was that on the expiry of the said period (i.e. from 11.1.1938) he was to get back to his original position

350/-

Serial No.

In this view it is for orders if the Comptroller may be instructed that K may be restored to his original position in the grade Rs 400-$\frac{50}{2}$-700 with effect from 11.1.1938 – and that he may be shown among Health officers, First class (vice Dr. Domnick being shown against Supdt. P.H. Institute on 400-700, substantively). He is now working as Professor of Pathology in the University & Pathologist, K.R. Hospital under Dr. Robinson

5) Re: (2) Payment of difference in pay at Rs 50 from 28.11.36 to 10.1.37.

The basis for this claim is not very clear. According to G.O. d. 8.4.1936, he was to get Rs 450 from 28.11.1936 and in the Civil List as on 1.1.37 he is shown as drawing this from 28.11.36. Perhaps the Civil List entry is based on the G.O. d. 8.4.36 and no actual audit slip was issued authorising the officer to draw the pay of Rs 450 from 28.11.36, & he actually drew only Rs 400

If this be the case, it is for orders whether Dr Natarajan may be allowed to draw the increment of Rs 50 from 28.11.36 to 10.1.37, and if the restoration to his original rank from 11.1.1938 is viewed favourably whether he may be allowed to draw Rs 450 from 11.1.38.

9) His second request to allow him to draw pay at Rs 450/- instead of at Rs 400/- from 28-11-1936 as ordered in G.O.No. 2179-80/C.B. 67-35-4 dated 8th April 1936 up to 10th January 1937 the date from which he was reduced to a Second Class Health Officer, may be sanctioned unless Government want to withdraw the concession sanctioned in the Government Order in view of the subsequent findings in his case. The case against him is of a serious nature and we would be preferably justified in withdrawing the concessional treatment. It is ascertained from the Audit Office that he did not draw Rs 450/- from 28th November 1936 in accordance with the G.O. dated 8th April 1936.
